*By signing and returning this form, you are requesting Nova Credit Union to advance the due date equal to one month's loan payment and you are authorizing us to add the \$55.00 administrative skip a payment fee to your loan amount. I understand that if I have GAP insurance on my loan, if I have made more the 2 skip a pays on the loan, it could cancel out the remaining GAP coverage. If you have already received a deferred payment this year your car loan will not be eligible for the skip offer. A \$55 deferral fee per skipped loan payment will be added to the balance of your loan. Interest will accrue on all loans affected by the program, which may cause the maturity date on all loans to be extended. If recent data shows that you have been delinquent on any Nova CU loan, the Credit Union reserves the right to deny your application to Skip-A-Payment. If your request is denied, the Credit Union will contact you. To skip your November payment, form must be returned by Oct. 15, 2024. To skip December payment, form must be returned by November 15th, 2024.
